

Young Adult Camp
Ms. Bigos, Ms. Stice, Mr. Baier
Jr. Counselors Michael &
Bradley

It is hot, and so are the Young Adult campers! Our first week was full of excitement. The first day the campers spent some time getting to know new friends, becoming reacquainted with old buddies, and then they jumped right into action! They begin their mornings by taking the half mile walk to Betty Booth Park where they then run the track and play a variety of organized sports.

There is no rest when we return to camp. The campers then are tested for their physical fitness. They take part in sit-ups, push-ups, "wall sits", and many other activities. Their progress is charted everyday and we are already seeing some serious improvements! The afternoons are camper's choice.

This week the choice was making wooden models or playing volleyball. Students playing volleyball participated in an exciting tournament. Everyone is excited for next week and the upcoming adventures!

KENTWOOD PREP

Summer Camp 2008

Week One

06/27/08

This first issue is dedicated to Ms. Urbancic and Ms. Rivera for putting together such a great summer camp!

Reminders:

You can see all of these pictures at www.kentwoodprepcommunity.com.
Day Camp is going to the Marlins game on Wednesday 7/2/08.
Day Campers should come in their favorite sports attire on Thursday 7/3/08.
Camp is closed for the Fourth of July.

Group 1 – “School of Fish”
Ms. Motta, Ms. Dixon,
Ms. Rodriquez, &
Jr. Counselor Alex

Bloop, bloop! Under the sea in Room 1. The campers had a great first week! After reading the *Rainbow Fish* story, written by Marcus Pfister, we made our very own colorful stenciled fish which we decorated with shiny scales and glitter algae. We took pictures underneath the “rainbow” and made Rainbow Fish picture frames. We divided into teams for color wars and had loads of fun participating in hula hoop contests and many other activities. We also had a great time doing Tai Chi, making paper plate fish, and octopus cups. On Friday, we all ate tasty treats at the “Sweet Shop”. We are looking forward to Week 2 of our *School of Fish!*

Group 3 – “The Rock Stars”
Mr. Malka, Ms. Nathan,
& Jr. Counselor Gio

We are having a great time at Camp Kentwood. We saw an amazing Magic Show with magician Karl Koppertop. Wow! We have been making friends and playing games together both indoors and outdoors. Basketball was a lot of fun and we practiced using teamwork to get our shots in. Board games like Checkers and Trouble had us competing against each other in good fun. We made decorations using red, white, and blue beads for the upcoming 4th of July holiday. We will be ready to show them off in support of our country. Our week ended with a delicious visit to the 50’s Sweet Shop. The 50’s were a big part of our week as we dressed 50’s style and played some exciting games. We can’t wait to see what we do next week!

Group 2 – “Space Cadets”
Mr. Trullio, Ms. Zepherin,
Jr. Counselors Jeffrey & Josh

The children of Room 2 decided to call their room the Intergalactic Camp. If you saw the room, you’d know why they named it so! They started the week by discussing Outer Space, what it is, and what they would like to exist in space. On Monday we began the Color War activities with a game of musical beach balls to determine what team each camper would be on. Color War continued on Wednesday as we used our 1950’s theme for games and contests to earn points. We decided that there were not enough campers in the room so we created more. The campers traced their bodies on LARGE pieces of paper and then colored them as they would like to see themselves. To get in some physical exercise we swam at the pool and played group games utilizing a basketball and a rope. The campers ended their week with a trip to the Kentwood Sweet Shop.

Group 4 – “AeroHeart Army Band”
Mr. Manriquez, Ms. Drummond,
Jr. Counselors Chris & Nick

Rock on! The AeroHeart Army Band is ready for a great summer. Color Wars has begun with campers being divided into the “Sharks” or “Gators”. “Do you believe in magic?” The campers do, and enjoyed an incredible magic show. After the show, they had the chance to learn how to make their own balloon animals. Campers were doing the twist and shout with the 50’s theme as they participated in the hula hoop contest and got sweets from the sweet shop. Marshmallows were also a treat during the “Chubby Bunny Contest”. It was great to see all the campers and teachers getting into the 50’s spirit and dressing up. Campers had a *splash* swimming! Campers also created their own record labels and are in the process of creating an album cover, song, and possibly a video.
