

## Young Adult Camp

**Ms. Bigos, Ms. Stice, Mr. Baier, Jr. Counselors Michael & Bradley**

Week two has quickly come to a close. Though the week was short, the Young Adult Camp was filled with fun! Monday began with a trip to the beach. We especially enjoyed burying each other in the sand! The Marlins game was great and wet! Just amazing! We continued our fitness program throughout the week. Many campers can be heard discussing their progress. Way to go! Our sports program was elevated to the next level. Mr. Baier introduced wrestling. The campers were excited to throw-down on the mats! Volleyball and dodge ball are still the favorite. We are all looking forward to rock climbing and laser tag next week.

## Overnight Camp

Overnight camp had a spectacular first week. Parents and campers arrived on Sunday to fabulously decorated dorm rooms. Week 1 started off with a blast as we got to know each other and bond as a group. Chores and proper eating skills were taught as we sat down to a great tasting catered dinner. Campers also needed to wash their own plates and clean their designated areas. On Monday we went to Dairy Queen where the kids were treated to ice cream and time away from the camp and dorms. They did a wonderful job using their table manners and the staff could not have been more pleased. We also enjoyed our first restaurant dinner this week. The campers enjoyed salads and soups at Sweet Tomatoes and were so well behaved; they were complimented by management. We wish everyone a happy 4<sup>th</sup> of July and are looking forward to more time together as a group.

### **Group 1 – “School of Fish”**

**Ms. Motta, Ms. Dixon, Ms. Rodriquez, & Jr. Counselor Alex**

Splish, splash! Room 1 had a great time during week 2 of our School of Fish! The week began with us making our very own sun catchers and creating our spirit posters for Color War. Go Gators! Go Sharks! We loved swimming as always. We enjoyed listening to the story ‘A Little Whale Tale’ along with a Fourth of July book. The ball and cup game we created was a favorite for campers; making our own game is always a great time! Glitter fireworks, Lincoln penny necklaces, and American flags made from craft sticks concluded our July 4th activities. We also learned about the Olympics and enjoyed creating cool Olympic banners. We look forward to a groovy time during Hippie Week!

### **Group 3 – “The Rock Stars”**

**Mr. Malka, Ms. Nathan, & Jr. Counselor Gio**

We have the Kentwood Camp spirit. This week we decorated drink cozies to put our water bottles in; we like to keep hydrated at camp. We continued earning points for the Gators and the Sharks during Color War competitions. We had an exciting day at the Marlins baseball game during “rain and shine.” We wore the baseball caps we decorated to the game. We loved dressing up like our favorite athletes. Camp Kentwood is exciting and we do new things every day. We are having a great time socializing and our friendships are growing. See you next week! Rock Stars!

### **Group 2 – “Space Cadets”**

**Mr. Trullio, Ms. Zepherin, Jr. Counselors Jeffrey & Josh**

Intergalactic Camp blasted off with huge amounts of creativity this week. To fit in with our Sports week theme we created cozies for our beverages – something had to keep us cool during the Marlins’ Game! We took advantage of the upcoming Fourth of July holiday and made top hats that scream patriotism, they were covered with fireworks and the colors of the flag. We are also almost done with our Camp banner, once completed, it will prove our ideas are truly out of this world!

### **Group 4 – “AeroHeart Army Band”**

**Mr. Manriquez, Ms. Drummond, Jr. Counselors Chris & Nick**

The AeroHeart Army Band showed they were “Proud to Be an American” and created their own Uncle Sam with beads. “Hoop There It Is” was part of Color War this week as the Gators and Sharks battle it out for points. Teamwork and fun were a big part of their agenda this week as they learned to play sit soccer, participate in the Olympics, and play against the counselors. To get ready for the baseball game campers made their own fans and cup cozy. Campers enjoyed a homerun of a time at the Marlins game and sang “Take Me Out to the Ballpark”. The sport theme continued this week; campers dressed up as their favorite athletes. We all splished and splashed again at the swimming pool. Campers will get some rest Friday as they celebrate the “4th of July”.
