**Ms. Bigos, Ms. Stice, Mr. Baier, Jr. Counselors Michael & Bradley**

What an amazing week we had! Our week began with a trip to X-Treme Rock Climbing in Miami. We were able to climb at the largest indoor climbing facility in Florida. The campers showed they were fearless! Each camper did their best and climbed various walls. They demonstrated extreme courage, determination, and endurance during our outing. Laser Quest was a nice treat. The campers enjoyed zapping each other. Congratulations to Adam and Hunter for coming out on top! Volleyball and Basketball tournaments are played daily. The games are getting more intense as the days go on. As always our fitness program continues. The camper's hard work is really showing. We are very proud of them! Next week continues with a trip to Aqua Golf and volunteering at Day Camp's Carnival.

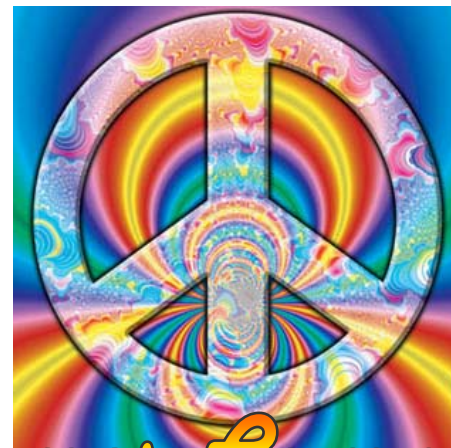

**Overnight Camp**  
**Mrs. Flores, Mr. Lieberman Jr. Counselors Michael & Erica**

This week in overnight camp, we had a rockin' time. On Saturday we all had a "family dinner" at a local restaurant. On Sunday we went to C.B. Smith Water Park. The kids had a great time playing in the water and riding all the water slides. The weather was beautiful and so was the company! The campers learned an important life lesson this week; they did their own laundry! They separated the clothes, learned how to measure detergent, and used bleach. The most exciting night for the campers this week was our KARAOKE NIGHT with Mr. Baier. The campers had a chance to sing with each other and their counselors. There were lots of laughs and a good time was had by all!

**Group 1 – “School of Fish”**  
**Ms. Motta, Ms. Rodriquez,**  
**& Jr. Counselor Alex**

Week 3 was absolutely groovy! We started the week off by making our very own tie dyed tee-shirts and peace symbol medallions, which we had the chance to wear for Hippie Day. We also made tambourines and laced cards. We played cool games during Color War time such as “pass the balloon” and the parachute game. We also had to shave balloons without popping them faster than anybody else to earn points! We had a rockin’ good time swimming at Coconut Cove Water Park. Ms. Rivera, Audrey, and Jeffrey stopped by and helped us create flip flops that we can wear on swimming days. In the spirit of Funky Hat Day next week, we all decorated our own hats and we can’t wait to show them off!

**Group 2 – “Space Cadets”**  
**Mr. Trullio, Ms. Zepherin, Ms. Dillon**  
**Jr. Counselors Jeffrey & Josh**

The Room 2 Space Cadets had a groovy time this week! We time-traveled back to the ‘60s, making tie-dye shirts, hippie headbands, and awesome peace signs for Hippie day. Our voyage to outer space this week consisted of creating our own life-sized aliens, planet mobiles, and space collages. We had a blast swimming, as always, and had some bonus splash time on our field trip to Coconut Cove Water Park. We can’t wait until next week when we get to see everyone in their craziest hats!

**Group 3 – “The Rock Stars”**  
**Mr. Malka, Ms. Knatz,**  
**& Jr. Counselor Gio**

Whoa! Did we get dizzy from watching the spin art that we made! We were a bit laid back this week as we wore our hippie clothes and participated in some psychedelic color war games. We did some music research on 60’s bands and found out about the Grateful Dead, the Beatles, and the Rolling Stones. We looked far out with our tie dye shirts and colorful sandals. We ended this week with a splash at Coconut Cove Water Park. Our friendships are growing here at camp as we look forward to the fun we will have next week. See you there!

**Group 4 – “AeroHeart Army Band”**  
**Mr. Manriquez, Ms. Drummond,**  
**Jr. Counselors Chris & Nick**

Peace! The AeroHeart Army had a groovy time during Hippie week. Campers had a far out time dressed up as hippies with their newly made bead bracelets, tie-dye shirts, and peace signs during color wars. The Beatles’ “Yellow Submarine” was the hit theme song this week. Campers learned the song, made their own yellow submarine, and took part in their own music video. Campers were splishing and splashing at the pool and Coconut Cove Water Park this week. The campers also decorated their own flip flops to use for the Cove. Teamwork became important for their 3-legged kickball and blind fetch games. Special thanks to “little Normandin” for her help with the yellow submarine.
