

Young Adult Camp

Ms. Bigos, Ms. Stice, Mr. Baier & Jr. Counselors Michael & Bradley

Another fantastic week has gone by! Monday began with a trip to the Aqua Golf Range. We each received personal instruction from the golf-pro to improve our swing. Then we practiced our swings and took some amazing cracks at the ball. Success was heard with each splash of water. It sure was a good thing the balls could float! Wednesday the campers had a great time volunteering at Kentfest. They were rewarded for their effort later in the week with ice cream sundaes and a pizza party. This week's favorite sport was wrestling. The campers threw down in competitive, yet friendly matches. Our trips to the park continued with our lap running, fitness workouts, basketball, and dodge ball games. For Week 5 we look forward to a trip to the beach and Swamp Buggy Rides.

Overnight Camp

Mrs. Flores, Mr. Maynard, Mr. Lieberman & Jr. Counselors Michael & Erica

The weeks just get more exciting as the summer continues! Saturday our campers enjoyed the beautiful weather as they went snorkeling in the ocean, where they saw amazing fish. On Sunday, we enjoyed a relaxing day away from campus. We went to a local farm to visit animals and have fresh made fruit milkshakes! The horses were especially fun to visit and talk to, as some of our campers tried to make conversation! Everyone had a great time. We took time out this week to get our bunks in order and plan for our Disney trip. The campers did laundry in preparation for Disney and have packed their bags for the four day trip. Friday we took a break in order to enjoy the Marlins game! There is nothing like a night time baseball game to bring us together as a group. We are very excited about next week and will tell you all about our visit with Mickey Mouse when we get back!

KENTWOOD PREP

Summer Camp 2008

Week Four

07/18/08

Reminders:

Thursday 7/24 – Swimming
Friday 7/25 – Lego Exhibition – Art & Culture Center of Hollywood
Joseph and the Amazing Technicolor Dreamcoat DVD's are on sale!

Group 1 – “School of Fish”
Ms. Motta, Ms. Rodriquez, & Jr. Counselor Alex

Ding, Ding, Ding! This week was a blast! It started off with us wearing our funkiest hats for “Funky Hat Day.” We enjoyed making and eating healthy fruit kabobs on Tuesday. Color War as always was fun as the teams competed against each other for points. At the Carnival we ate pretzels and Italian Ice as we played games to win tickets for prizes. Our fish had fun popping balloons with darts, running through the obstacle course, and knocking down towers of cups during the Carnival. The campers learned the basic way to weave a placemat and they also created a marble painted work of art. We topped off the week watching the movie Wall-E with the whole camp. Told you we had a blast! See you next week; bloop, bloop!

Group 3 – “The Rock Stars”
Mr. Malka, Ms. Knatz, & Jr. Counselor Gio

This week we played all sorts of fun games at our Kentfest Carnival. There was ball tossing, basketball shooting, dart throwing, and much more. We won tickets that we later cashed in for prizes. We also got to redeem our tickets for delicious hot pretzels and Italian ice. A Fun time was had by all! We looked great in our crazy hats for “Funky Hat Day”. We are having a blast at Camp Kentwood, making our own paper airplanes and throwing them. We drew psychedelic designs in our black paint magic. We even found time to relax and watch a movie as we saw this summer’s blockbuster Wall-E. We are looking forward to next week’s fun...

Group 2 – “Space Cadets”
Mr. Trujillo, Ms. Dillon, Jr. Counselors Jeffrey & Josh

The Space Cadets had an awesome time this week! We decorated funky hats for “Funky Hat Day.” We made rockets and space ships out of model magic clay. We also painted moon rocks with metallic paints. We finally completed our aliens and decorated alien eggs. The Carnival also gave the Space Cadets time to explore earth games and boy did they enjoy them. To complete our voyage this week we went to the movies to see Wall-E and had a blast. We are really looking forward to the LEGO Exhibition, maybe we’ll get ideas and build our own LEGO masterpiece! Space Cadets blast off, see ya next week!

Group 4 – “AeroHeart Army Band”
Mr. Manriquez, Ms. Drummond, Jr. Counselors Chris & Nick

The AeroHeart Army had a great time this week starting with wearing their funky hats. They got to show off their craziest hat, whether it be store bought or camp-made. Some of them were pretty wild. During Color War campers got messy trying to get a piece of bubble gum from a plate of whipped cream, without using their hands, and then blow a bubble. Campers missed swimming time on Tuesday due to the weather, but were able to try Karaoke. Karaoke time was a huge success as the campers sung their hearts out. Kentfest was a time for all the campers to experience carnival fun. Campers played a variety of skill games to earn tickets for food, prizes, and tattoos. On Thursday campers were able to finish up their kite projects and try to make them soar. The week ended with a cool and relaxing time at the movies.
