

**Young Adult Camp**  
**Ms. Bigos, Ms. Stice, Mr. Baier &**  
**Jr. Counselors Michael & Bradley**

The Young Adult camp has come to a close; however, the memories we have made will last us a lifetime. We have enjoyed the beach, park, the "PIT", and some awesome field trips. The campers have shared experiences this summer beyond their wildest dreams. They have grown individually and have made some great friendships. They have climbed rock walls, been to the everglades, driven GO Karts, played laser tag, and had a blast at Rapids. In addition to field trips, the campers enjoyed working out and playing sports. We played basketball, dodge ball, kick ball, and volleyball. The campers also improved their physical fitness. We increased our laps around the park, along with the number of sit-ups, push-ups, and conditioning by 85% since the beginning of the summer. It has been a pleasure to work with each of the campers. We thank you for spending this amazing summer with us!

**Overnight Camp**  
**Mrs. Flores, Mr. Maynard, Mr. Lieberman**  
**Jr. Counselors Michael & Erica**

Last week, we spent our time in Disney World with the campers. It was a wonderful experience. We visited all four major theme parks and the kids had a wonderful time. They had fun looking for hidden Mickeys and riding the rollercoasters. We spent the weekend playing laser tag and relaxing. We also got caught up on some laundry. This week is our last week together. It is with heavy hearts that we say goodbye and return the campers to you and your home. Thank you so much for letting us spend these weeks with them. It has been an honor.

# KENTWOOD PREP

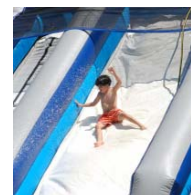

## Summer Camp 2008

Week Six

08/01/08

*"Rock Star Revival"*

What an amazing summer! Thanks for the memories!!

### Group 1 – “School of Fish”

Ms. Motta, Ms. Rodriguez, & Jr. Counselor Alex

The last week of camp was absolutely Rockin’! The week started off great with all of us dressing up for Crazy Tie Day and making our very own binoculars. Swimming was a number one hit, as always. Wednesday Stevie Ray Vaughan, among others, made an appearance in our Room for Rock Star Day. We had an awesome time during the Bar-B-Que and at the Water Sports activities. We had great fun participating in the Water Balloon toss and then cooling off by gently hitting each other with the balloons. The piñata, the limbo, and the Awards Ceremony were the highlights of Color War this week. The Fish of Room 1 all made their very own aquariums to finish out the Summer School of Fish! We have made great friends this summer. We are looking forward to enjoying the rest of our summer and coming back to Camp Kentwood next year!

### Group 2 – “Space Cadets”

Mr. Trujillo, Ms. Dillon, & Jr. Counselor Josh

The last week of camp for the Space Cadets blasted off into a whole lot of fun! We started out the week wearing our “crazy ties” and making super cool alien masks. The campers made awesome guitars to wear while performing our camp song. We sang our song dressed up as rock stars, won first place, and earned a pizza party! We were so excited and proud of ourselves. The Space Cadets cooled off from the heat on Water Sports day and had a great time. We ended our last day of camp with a Bar-B-Que, awards ceremony, and a 24-foot water slide. Room 2 had an amazing time this week and it was a great way to end camp. We are going to miss our Space Cadets!

### Group 3 – “The Rock Stars”

Mr. Malka, Ms. Knatz, & Jr. Counselor Gio

Our time here at Camp Kentwood has come to a close. We have had a great time this summer and are sad to see it end. Camp has given us friendships, fun trips, and many memories. This week we got to rock out as rock stars, bat at a piñata, and play our “knock hockey”. We swam in the pool and had a blast like always. Monday was Crazy Tie Day; not only did we get to wear one from home, we even got to make one at camp. We wrote our own camp song and performed it in front of an audience. What a hit! Water sports were also a lot of fun as we got wet from the throwing of water balloons. We also had a great time riding the water slide on the last day of camp. As the week came to an end we had a Bar-B-Que to celebrate the great memories of Camp Kentwood and the friendships that we have made. Rock on, Rock Stars!

### Group 4 – “AeroHeart Army Band”

Mr. Manriquez, Ms. Drummond, & Jr. Counselors Chris & Nick

The AeroHeart Army had a wild and crazy week. The week started with the campers sporting their crazy ties, either brought from home or made at camp. The campers also created their own dog tags to wear during Color War. Color War was great fun as they did the limbo, took some swings at the piñata, and participated in the baby bottle feeding contest. The Rock Star Revival was a rockin’ good time as the campers partied like rock stars. We had the opportunity to hear our bandmate Ryan play his guitar for us. This was followed by the campers performing the camp song they wrote, “I like Kentwood Camp” for every one. Swimming was fun, but getting wet during this week’s water play was even more fun. Summer camp ended with an award’s ceremony and great Bar-B-Que. Camp was great this year and although we are sad to go, we look forward to a fun and productive school year. See you next summer!
