What an exciting first week we had! We jumped right into our fitness component at the park. The campers jogged around the track, then were introduced to polymetrics, which are muscle isolation exercises. The campers felt the burn right from the first day! We learned to cooperate as a team to achieve our goals. We began our team sports with kickball, dodge ball, indoor volleyball, hockey, and four-square. The volleyball tournaments seemed to be the campers' favorite activity, with indoor hockey being a close second. Campers showed creativity through their clay designs and woodworking. We can't wait for next week's adventures!

The Kentwood Overnight Camp Staff are very excited about our program this summer. Sunday was check-in for all overnight campers. Welcome to the campers joining us from other states! We enjoyed a family style BBQ while we got acquainted on Sunday. Campers assisted with the meal preparation and within a short time, friendships were made. Tuesday night we went out to Sweet Tomatoes for dinner. This is a popular restaurant for our campers. Each camper had dozens of choices and it's no surprise that the campers wanted to work

backwards and start off at the dessert bar! Each camper left dinner full and content. The campers also went out to Dairy Queen, which was a cool treat after a long hot day at camp. The campers and staff are looking forward to the upcoming trips this weekend. Stay tuned!

### Cabin 1 – “The Dug Out” Ms. Motta, Ms. Dillon, & Jr. Counselor Tatiana

The All-Stars first week of camp started off with a big hit! We saw a wonderful Magician who did some awesome tricks. We were introduced to Color War this week and were placed on either the Gators or the Sharks team. We dressed up in our 50's outfits and looked super fly! Then we had a hula-hoop competition and a marshmallow competition, it was so cool! Swimming at the pool was a blast. We also made a yummy treat – a cup of fish, it was delicious! On Friday we continued our 50's theme with the 50's Sweet Shop and had ice cream floats and banana splits. This week was our first homerun! See you all next week ☺

### Cabin 3 – “The End Zone” Ms. Nathan, Mr. Malka, & Jr. Counselor Audrey

Wow!! Camp Kentwood has kicked off a great summer. We had so much fun from making collages to swimming and playing all different sports. The first day of camp was a hit with magician Karl Koppertop who made us laugh with his great magic tricks. On Wednesday we dressed up in funny 50's costumes. The Kentwood Staff definitely knew how to kick it up a notch with their outfits! With tons more fun and excitement at Camp Kentwood, we know our summer will continue to rock!!

### Cabin 2 – “The Pirates Cove” Ms. Rodriguez, Mrs. Mentz, & Jr. Counselors Gio & Chase

Ahoy Mateys! Summer Camp has kicked off to a great start. We spent the week learning how to play with others respectfully while engaging in various activities such as kickball and soccer. We made our very own bean bag balls, participated in our first dress up day, and were placed on teams for Color Wars. Swimming was exciting for everyone; however, the Sweet Shoppe was tough to beat! The campers of Cabin 2 have begun to make new friends and are very excited for all that is to come!

### Cabin 4 – “The Players’ Club” Mr. Manriquez, Mrs. Burton, & Jr. Counselor Nick & Patricio

Play Ball!!! The **Players’ Club** has stepped up to the plate and is ready for a great summer season. Color War has begun with campers being recruited either as a “Gator” or a “Shark”. We attended an awesome magic show for our pre-game festivities, which included cool balloon prizes that were given to the participants. The next day we had a chance to create our own balloon animals and sculptures, as well as an authentic cartoon animation. A 50's theme kicked off our first day of Color War competition; it was great to see the campers and counselors dressed up and participating in all the fun games. On Thursday the campers had a chance to make a *splash* at the pool. We ended the week enjoying treats from the “Sweet Shoppe”.
