& Jr. Counselor Brandon

Although the week was short, it was definitely packed with fun! The week began with bowling, and the campers really showed their stuff at the lanes. Congratulations to Brian Normandin for rolling two consecutive strikes! The rain didn't stop us, either! Indoor basketball in the pit was the place to be. The tournaments we held really showed the competitiveness and team spirit throughout camp. Our fitness program is at an all time high. You can really see the increase in the physical prowess of each camper! The campers showed their creative side with the woodworking challenge. The unique pieces they created are remarkable. You name it—they built it! The week ended with an awesome kayaking trip. We can't wait for next week's trips to the ice rink and aqua golf. See you then!

Overnight Camp

Jr. Counselors Ali, Michael, & Erica

Our second week of Overnight Camp was action-packed! This past weekend we spent some time at Fort Lauderdale Beach and had a picnic. Fortunately we beat the rain and everyone enjoyed themselves. The campers also visited Lion Country Safari in West Palm Beach, where campers faced wildlife up close from the safety of the vehicle. After the adventurous safari we cooled off in the water park under the fountains and waterfalls. We enjoyed a night of bowling, pizza, and arcade games. The campers were divided into two groups to see Transformers and UP. They also had the chance to order their favorite snacks and beverages at the concession stand. Nothing brings a smile to a child's face like a large bowl of popcorn! Campers also enjoyed a night out at Dave and Buster's for dinner where they could play hundreds of exciting games. Many received countless tickets and great prizes. The Overnight Camp staff would like to wish all Campers and their families a safe and happy 4th. We look forward to seeing you back at camp on Sunday!

Cabin 1 – “The Dug Out” Ms. Motta, Ms. Dillon, & Jr. Counselor Tatiana

It was a grand-slam this week for the All-Stars! We started the week off with Funky Hat day. Many of our campers came with some really cool hats, including an awesome taco hat. We also made some sporty baseball visors. We stopped by the movie theater and watched an all time favorite – Charlotte’s Web. We showed our artistic side and created dot-marker artwork. We have some true artists! We ended our week by creating a patriotic treat — an American flag made with Fruit-by-the-Foot, Twizzlers, and marshmallows. What a week! Hope you all enjoy your 4th of July holiday weekend and catch ya next time!

Cabin 3 – “The End Zone” Ms. Nathan, Mr. Malka, & Jr. Counselor Audrey

The second week of camp was a total touchdown! Monday was Funky Hat day and the campers put together some crazy hats. The more funky our hats were, the more points we earned! Even though swimming was rained out on Tuesday, we all jumped in the vans and checked out a movie. Wow! The Marlins completely outshined the Washington Nationals on Wednesday afternoon. The game was hot but SUPER fun! We’re looking forward to a great Fourth of July weekend, but definitely still excited for our third week at Camp Kentwood!

Cabin 2 – “The Pirates Cove” Ms. Rodriguez, Mrs. Mentz, & Jr. Counselors Gio & Chase

Week 2 was awesome! We kicked off the week by making our own funky hats to wear during Color Wars. Although the rain put a damper on our swimming plans for Tuesday, we had a blast at the movie theater! The Marlins game was a home run, especially with our cool water bottle holders! We loved being outdoors and enjoyed

cheering for our home team. We’re glad that the rain dances ceased and we had the opportunity to go to the pool on Thursday! Next week is sure to be another great one!

Cabin 4 – “The Players’ Club” Mr. Manriquez, Mrs. Burton, & Jr. Counselors Nick & Patricio

It may have been a short week but we had a FABULOUS time. We enjoyed Funky Hat day on Monday with some awesome hats on everyone’s heads. On Tuesday, we were rained out at the pool, but that never stops the Players’ Club from having fun! We were able to go the movies and enjoy Charlotte’s Web. It is a classic that never gets old. On Wednesday, we went to the Marlins’

game. We had a great time on a nice HOT cloudy day. The rain held out during the game but as we were leaving, the skies opened up. Thursday ended the week with some swimming and we finished up the first two weeks of our scrapbook. Be sure to go to the website and check out our great photos! Have a safe and happy Fourth of July and we look forward to seeing all the campers on Monday!
