Ms. Bigos, Mr. Lieberman, & Ms. Flores
& Jr. Counselor Brandon

Week three was crammed with fun! We began the week with a "cool" field trip—ice skating. The campers enjoyed the cool air and gliding around on the slick ice. Even though we had some falls, it was a great learning experience. Everyone is hoping we'll have the chance to do it again. Later in the week, Mr. Baier taught us how to make swords out of PVC

pipe and foam. The campers were ecstatic to continue expressing their creativity by making team designs for their shields. They really enjoyed testing out their homemade gear. Aqua golf was a splash! The campers showed off their swings by hitting golf balls into the lake. This week also marked the beginning of our wrestling tournaments and the return of volleyball. Catch us next week for more excitement!

Overnight Camp
Mr. Maynard, Ms. Rodriguez, Ms. Knatz, Ms. Dillon, Mr. Malka, Mrs. Burton & Jr. Counselors Ali, Michael, & Erica

The Kentwood Overnight Camp Staff would like to welcome all the campers back after the holiday weekend. We hope you enjoyed the time with your families. Upon the campers' return on Sunday night, we ventured out to Hollywood Beach Blvd for dinner. Everyone enjoyed Florio's of Little Italy on the beach. Afterward, campers played games, built sandcastles and even viewed a

beautiful sunset over the ocean. Best of all, they enjoyed running barefoot through the cool sand on a warm evening. We also went to Smokey Bones where campers could choose their favorite of pulled pork, chicken or beef; add delicious bbq sauce and you have one happy group! Campers continue to learn to wash and fold their clothes on our weekly Laundry Night. Good news, Moms and Dads: it's getting easier! We have a busy weekend planned ahead so stay updated online and be the first to view our activities!

Cabin 1 – “The Dug Out”
Ms. Motta, Ms. Dillon, & Jr. Counselor Tatiana

This week the All-Stars played a perfect game! They started by bringing and creating the craziest ties ever! It was cool to bead our own necklaces and make awesome fruit kabobs. The fun continued with swimming and splashing around under the summer sun. We spread peace and love on Hippy day and tumbled our way to fun at the gym! This week for sure was the right combination of fun and flower power. We are looking forward to what’s coming up next! Have a great weekend!

Cabin 3 – “The End Zone”
Ms. Nathan, Mr. Malka, & Jr. Counselor Audrey

Far Out! This has been one psychedelic week, from crazy ties to dressing like hippies. We made some groovy sand art, and mix-and-matched our faces with wacky results. We always have a great time hanging with our friends in the pool! Color War had the Sharks and Gators playing hard in a spirited but fun competition. We ended the week with a little exercise and fun at the gymnastics arena. With Camp only half over, we still have tons of summer surprises left to explore. We can’t wait! See you next week!

Cabin 2 – “The Pirates Cove”
Ms. Rodriguez, Mrs. Mentz, & Jr. Counselors Gio & Chase

Crazy ties filled the cabins of Camp Kentwood, kicking off Color War this week. We had the chance to compete in the Coke/Pepsi challenge, which turned out to be a crowd favorite! Hippy day was groovier than ever with our beaded necklaces!

Freeze dancing took the cake at Color War and the recycling game was a blast as well! Both Mrs. Mentz and Ms. Rodriguez jumped feet first into the pool with their campers this week; it was a relief to have the chance to cool down! We also tumbled our way through the end of the week at West Broward Gymnastics Academy. As week 3 comes to a close, we’re taking a step back to look at all of the friendships we’ve made in the first half of the summer and are looking forward to the lifelong bonds that are yet to come!

Cabin 4 – “The Players’ Club”
Mr. Manriquez, Mrs. Burton, & Jr. Counselor Nick

Peace! The Players’ Club had a groovy time this week. Dressing up as hippies and freeze dancing was great fun. The campers had a very constructive week. We created silly ties for crazy tie day. In true hippie spirit, we made our own beaded bracelets and necklaces. Groovy! We got

to build and paint model tanks, planes, jets, sailboats, and even a space shuttle. Teamwork and good sportsmanship were very important as we played blind fetch and kickball. Campers continued to be competitive with our sock wars competition at the high school. We ended the week on a roll as we learned and participated in gymnastics. It was a tumbling good time! We are looking forward to another great week!
