

CAMP KENTWOOD

Wild • West • Week

Issue #2 July 2nd

Letter from the Director

The second week of camp didn't disappoint. Each camp found its own way to beat the heat. The day camp cooled off in the pool at Betty Booth Park. The Young Adult camp took the heat more seriously and chilled at the Ice Skating Rink.

We welcome the new campers and their families that joined us this second week.

The entire Camp Kentwood staff wishes everyone a safe 4th of July weekend!

Ms. Urbancic

*** Please remember to bring a white t-shirt on Monday!**

Day Camp- Next Week

Monday, 7/5- Tie dye Day – bring a shirt!

Monday, 7/5- Beach

Tuesday, 7/6- Fitness, dodge ball, Medieval swords

Wednesday, 7/7- Laser Quest, Fitness

Thursday, 7/8- Fitness, Basketball, shields

Friday, 7/9- Fitness, Archery, Medieval tournament

Cabin 1

Howdy Y'all! We had a darn good tooting week! We sported some crazy hats for funky hat day. Our new friend, Marco, came in with a Jack Sparrow pirate's hat! In the cabin, we made some streamers that blow in the wind as part of our theme on AIR. We stayed cool from the heat in the pool this week. We got all gussied up for Western Day, making sheriff badges and an old ball and cup game. Gabriel and Paityn really got into the spirit of the old west! We made yummy desert spiders and marshmallow constellations. We also made refreshing fruit kabobs, pin wheels and paint clouds. We ended our week with the Lego Exhibit. It was awesome! We are looking forward to a groovy themed 60's week on Monday.

Cabin 2

Our second week of camp started off with Funky Hat day where we made our own chef hats. It was fun splashing around at the pool escaping the heat. We giddied up into Wednesday with our Western wear and competed in fun Color War competitions. Our artsy side came out when we painted seashells, made Popsicle stick American flags, created our own Western Wanted Posters, and painted pet rocks. The architect came out in all of us at the Lego Exhibit as we saw lots of amazing Lego artwork. We hope you have a sparkling 4th of July weekend!

Cabin 3

The second week of camp was a wrap! Wrapping the campers up like mummies is always a wonderful and competitive game. The teams really showed great sportsmanship. The Color Wars also included a marshmallow-eating contest and tossing balls into a hat. This week Cabin 3 planted basil in our jungle cabin, made bean bags, created Wanted posters for Western day, and crafted bandanas for Crazy Hat Day! We took our first field trip of the summer to the Lego Exhibit. What a wonderfully busy week we had- just how we like it! Rest up this weekend for all the new adventures lined up for next week! Happy 4th of July weekend everyone!

Young Adult Camp

Week two was filled with fun! We began our week with a trip to the ice rink. All the campers enjoyed the frosty air and gliding across the ice. Although we accumulated a few blisters, it was a great experience. As we hit the bowling lanes, we found some great talent in the bowlers this year. Congratulations to Daniel for getting the highest score! We increased the fitness program and the campers are demonstrating excellent intensity. We are very pleased with their progress. The campers showed off their creativity with the woodworking challenge. This week's sporting events were flag football, badminton, and of course the camper's favorite, wall ball. The tournaments brought out the competition and team spirit throughout camp. Catch us next week for more excitement!

Overnight Camp

Overnight camp kicked off the second week with many fun filled activities! The campers enjoyed, "Create your own salad night," where they sampled many different items from the salad bar. We also had a great time at Dave and Busters, where students competed against one another in football and basketball. The campers attempted roller skating at Galaxy and helped each other up off the floor (when necessary). This activity brought many smiles and laughs to our beginners and advanced skaters. We also enjoyed an afternoon down by the Riverfront taking in the sights as well as a movie followed by a great lunch at the Downtowner. The Overnight Camp staff and campers would like to wish everyone a happy and safe July 4th weekend. We look forward to your return on Monday!
