Yeehaw... week 2 was a hoe down of a week. We made life sized penguins and some desert spiders. For Color War the campers had a chubby bunny contest, a line-dancing contest, and a three-legged race. We had 2 new additions to our Pen Gu Island penguins, they are all getting along great. Our penguins showed great sportsmanship on Western Day they all came dressed in their best cowboy attire. Can't wait to see what next week has in store for us.

The Sandlot

Tada! This week we really enjoyed doing magic tricks! We even researched how to perform a few card tricks. We created some fast and aerodynamic paper airplanes with amazing designs. Every day we are making new friends and enjoying playing basketball together. We also made and painted some ping-pong poppers! We are looking forward to next week!

### **Ms. Rivera & Mr. Lieberman**

Howdy everyone! Room 2 had a blast with Western week! Along with our Color War games, we had fun being creative building our very own popsicle-stick cowboys. We got a little silly putting together some crazy socks too! We also worked on our sportsmanship and teamwork with some kickball and starred in our own summer camp version of Wheel of Fortune. It's been a great time and next week is going to be even more fun!

## **Room 10 - Week 2**

### **Ms. Crawford & Ms. Cope**

What a wonderful week we've had! Our group has doubled with all of the overnights joining camp this week! All the campers have enjoyed making new friends. We each created a flower to hang around the room. Each camper choose their favorite flower colors and no two were alike. Every camper made and personalized either a cowboy or cowgirl when participating in western day. The campers especially enjoyed learning a western dance with the C. I. T's. To give a special western experience, the week ended with a trip to the rodeo.
